DIA-Newsletter  
Volume-2  
(Oct, 2023 to March, 2024)

## Inside the Edition

- 'Uttkarsh' DIA-Vision 2035
- Dahej Industrial Expo-2023
- Meetings with Government Agencies
- Workshops, Seminars & Sessions
- Social & Employees Welfare Activities
- Activities for Safety & Disaster Mgt.
- Visitors Diary
- Representation of Industrial Issues
- Enhancing Internal Connectivity
- Enhancing Industrial Communication
- Enhancing Safety
- Gati Shakti Cargo Terminal

With the Industries, By the Industries  
& For the Industries

## From the President's Desk

Dear Stakeholders of Dahej Industries Association,

I encourage each and every one of you to actively engage with the newsletter, share your expertise, feedback, and suggestions, and participate in the initiatives and events organized by the Dahej Industries Association. Your involvement is key to shaping the direction and priorities of our association, and together, we can achieve greater milestones and create a more prosperous and sustainable future for all.

In conclusion, I am excited about the opportunities that lie ahead for our association and our industry. Let us continue to work together, learn from each other, and strive for excellence in everything we do. With unity, determination, and a shared vision, I am confident that the Dahej Industries Association will continue to thrive and make a lasting impact for years to come.

Thank you once again for your support and dedication. Together, we can achieve greatness.

Dr Sunil Bhatt,  
President,  
Dahej Industries Association

## From the Hon. Gen. Secretary's Desk

Dear Readers,

In this rapidly changing business landscape, it is crucial for us to stay informed, connected, and adaptable. The newsletter of the Dahej Industries Association plays a pivotal role in keeping our members updated on the latest industry trends, regulatory changes, technological advancements, and upcoming events. It serves as a valuable resource for insights, analysis, and thought leadership, helping us make informed decisions and stay ahead of the curve.

As we reflect on the achievements of the past year and look towards the future, I would like to express my deepest gratitude to our members, volunteers, partners, and sponsors for their unwavering support and dedication. It is your collective efforts, passion, and commitment that drive the success of our association and enable us to make a positive impact on the industry and the community too.

Baldev Ahir,  
Hon. General Secretary,  
Dahej Industries Association

## From the Treasurer's Desk

Dear Members of the Dahej Industries Association,

As we embark on the journey of publishing the second edition of our esteemed newsletter 'Uttkarsh', we are honoured to address you as the team of Dahej Industries association. It fills us with great pride to witness the growth and progress that our industry has achieved over the past Six Months, and I am confident that together, we will continue to reach new heights of success and innovation.

The Dahej Industries Association has always tried to be a centre of excellence, bringing together industry leaders, professionals, and stakeholders to foster collaboration, promote best practices, and drive sustainable growth in the region. Our association serves as a platform for knowledge sharing, advocacy and empowering our members to navigate challenges, seize opportunities, and contribute to the economic development of our community.

Dipak Patel,  
Treasurer,  
Dahej Industries Association

## 'Uttkarsh' DIA-Vision 2035

## Representation of Industrial Issues

### Representation of issues to Minister of State, Finance Ministry

Dr. Bhagwat Kishorroa Karad, Member of Parliament, Rajya Sabha & Minister of State in the Ministry of Finance was on the visit of Bharuch on 26<sup>th</sup> November, 2023 for understanding efforts of Local as well as state agencies for the holistic development of Bharuch and contribution as well as support required for the same from Ministry.

As a part of their visit one to one meeting was held with present representatives of associations in presence of MLA's, District Collector Shri & other Government officials. During the same Dr. Sunil

Bhatt, President of Dahej Industries Association gave brief on the Dahej estate's Existing Infrastructure, Developing Infrastructure & Expected/Required Infrastructure.

During the Meeting Dr. Sunil Bhatt explained all the activities & efforts doing by Association for the betterment of Industries as well as Society, Dr. Bhagwat Kishorroa Karad applauded it & gave assurance to represent all concerns of Association to the relevant ministries & Officials.

### Representation to CEO, Gujarat Infrastructure Development Board

Shri Banchha Nidhi Pani, IAS - CEO, Gujarat Infrastructure Development Board (GIDB), was visited Dahej GIDC on 20th January 2024 with purpose to know Dahej, Vilayat & Saykha Industrial Estate's Infrastructure related requirements & to discuss Road-Map to fulfil those requirements.

As a part of their visit a meeting was held with representatives of associations in presence of Gujarat Industrial Development Corporation's (GIDC's) & Special Economic Zones (SEZ's)

officials. During the Meeting Dahej Industries Association gave Presentation on Geographic overview of estate, Highlights on Progress in Infrastructure development/ update & Expected Infrastructure like Metro Train, Smart Residential Scheme, Multi Model Logistic Park etc....

During the Meeting a fruitful discussion was held between Associations, Gujarat Industrial Development Corporation & Gujarat Infrastructure Development Board on the road-map to bring all those infra in to the estate.

## Enhancing Internal Connectivity

### Through Internal Road Strengthening Work

There is crucial importance of road infrastructure development on the economic growth and competitiveness of any Industrial Estate. It was observed that Dahej Estate 1, 2 & 3 requires quality road network & we had received plenty of communications from member industries regarding the same, in particular Internal Roads.

In addition, we have analysed the need of road infrastructure in relation to competitiveness and Industrial investments inflow to the Dahej Industrial Estate. Outcome clearly indicates that, yes we should have strong & Charming Road Network across the estate.

As an action point we have jointly done exercise of identify required works for the Strengthening Road Network with GIDC. We have identified requirement of Strengthening work on 126

Kilometres of roads across the estate including Construction of New Bitumen & Rigid Pavement roads. We have given necessary consents to GIDC for executing required work & Entire work will be executed in phase wise & in manner that routine works of industries will not get disturb. At some locations work for the construction of Rigid Pavement Roads (RCC) is already get started

As far as budget part is concern, Industries of Dahej estate will be bear only 20% of project cost, for the rest of Budget part we have successfully convinced Government of Gujarat & Gujarat Industrial Development Corporation to share remaining 80% Expenditure of Project Cost.

And last but not least, all these work are assigned agencies with free maintenance Guarantee period of five years.

## Enhancing Industrial Communication

### Variable Message LED Displays in Dahej Industrial Estates

In a bid to modernize communication infrastructure and bolster safety measures, Gujarat Industrial Development Corporation (GIDC) and Dahej Industries Association (DIA) marks a significant stride in the integration of Variable Message LED Displays across industrial estates in Dahej.

The deployment of Variable Message LED Displays represents a pivotal shift towards dynamic, real-time communication within industrial complexes. These displays offer unparalleled flexibility, enabling instant dissemination of critical information such as safety alerts, traffic updates, and operational announcements.

Merits of the projects are

- Enhancing Safety Protocols
- Optimizing Traffic Management
- Improving Information Dissemination:
- Promoting Environmental Sustainability
- Fostering Innovation and Adaptability:

In conclusion, installation of Variable Message LED Displays heralds a new era of enhanced communication and operational efficiency within Dahej industrial estates. By harnessing the power of technology to facilitate seamless information exchange, these displays reinforce Dahej's position as a leader in industrial development while prioritizing safety, sustainability, and innovation.

## Enhancing Safety

### Centralized CCTV Network Installation Underway in Our Estate

In an effort to bolster security measures and ensure the safety of stockholders, the installation of a centralized CCTV network is currently underway in our estate. This significant initiative marks a pivotal step towards fortifying our Estate against potential threats and enhancing overall surveillance capabilities.

With strategically positioned cameras covering key areas, such as entrances, exits, parking lots, and common areas, the surveillance system aims to provide continuous monitoring and surveillance round the clock. Moreover, the centralized nature of the CCTV network enables efficient monitoring and management of security operations. With a designated control room equipped with advanced monitoring

technology, as one access of Control will be given to police department so that trained personnel can oversee live feeds from multiple cameras simultaneously, promptly responding to any suspicious activities or emergencies that may arise.

However, it's essential to address potential privacy concerns associated with the installation of CCTV cameras. We, DIA & GIDC must prioritize the responsible use of surveillance technology, ensuring compliance with relevant privacy regulations and guidelines.

The ongoing installation of a centralized CCTV network represents a proactive and collaborative effort to bolster security within our estate.

### Prime Minister Shri Narendra Modi Virtually Inaugurated

## Gati Shakti Cargo Terminal

In a virtual ceremony held on 12<sup>th</sup> March, Prime Minister Shri Narendra Modi inaugurated the Gati Shakti Cargo Terminal at Dahej.

The Gati Shakti Cargo Terminal, located in the bustling industrial hub of Dahej in Gujarat, is set to revolutionize the logistics and transportation sector in the region. Equipped with world-class facilities and cutting-edge technology, the terminal is poised to boost trade and commerce while enhancing connectivity across the country.

During his address, Prime Minister Shri Narendra Modiji highlighted the importance of the Gati Shakti initiative in strengthening India's logistics network and accelerating economic growth. He emphasized the role of infrastructure development in driving progress and creating new opportunities for businesses and industries.

The inauguration of the Gati Shakti Cargo Terminal at Dahej underscores the government's commitment to building a robust and efficient infrastructure ecosystem that supports the Dahej's ambitions for growth and development. The terminal is expected to streamline cargo operations, reduce transit times, and improve overall efficiency in the movement of goods.

As the Gati Shakti Cargo Terminal at Dahej becomes operational, it is poised to emerge as a vital link in India's logistics chain, facilitating smoother movement of goods and enhancing the Dahej's competitiveness in the global market. The inauguration ceremony marks a significant step forward in Dahej's journey towards building a modern, efficient, and interconnected infrastructure network.

*Thank You*
